State Committee Selects Larry Dossey As Lone Star Farmer

LARRY DOSSEY

Pictured above is Larry Dossey, son of Mr. and Mrs. Leroy Dossey of the Prairie Point community, who has been selected by the state committee to be honored with the Lone Star Farmer degree. Only two per cent of the total enrollment of vocational agriculture students is allowed for the Lone Star Farmer degree, which is the highest award that can be given by the State Association of Future Farmers of America.

Larry deserves much credit for his achievement and has been greatly encouraged by his parents and his advisors, Ernest Hintz and Eugene Scott.

Larry started taking vocational agriculture as a freshman in high school. He has served as reporter and president of the local FFA chapter.

During his first year his project program included:

1. Cows for calf production, 2 head.
2. Corn production, 5 acres.
3. Heifer for development, 1 head.

As a second year student he had the following projects:

1. Show calves for beef production, 2 head.
2. Cows for calf production, 3 head.
3. Corn production, 10 acres.

For his third year he has the same projects as his second year.

Larry is the eighth Groesbeck High School student to ever achieve this honor.

In State Road-e-o Competition

Mayor George T. Koch congratulates Jimmy Kidd, son of Mr. and Mrs. John Kidd, on placing first in the recent Teen-age Regional Road-e-o sponsored in Groesbeck by the Jaycees of Central Texas. Jimmy, along with Sam Sherrod, son of Mr. and Mrs. S. W. Sherrod, who placed second, will compete in the state meet to be held in San Marcos on Thursday, Friday and Saturday of this week.
